In the winter months (November through April) they offer outside storage for boats, campers, and RV's. Inside heated storage is available for motorcycles and the grounds and property are protected by an

alarm system and video surveillance

Greg and Luann have owned the property since 1997 and it housed Greg's painting business. Due to an unfortunate accident in 2006, Greg is no longer able to do painting so they came up with the idea to remodel the facility and offer a much-needed venue for our area. Advertising dollars have been scarce, so they have relied on 'word of mouth' recommendations. As Greg put it, "This is the nicest place nobody knows about". With their membership to the Twin City Chamber we will definitely help spread the word!

For rental rates and availability, please call Greg at 740-922-0334- tell him the Twin City Chamber sent you!
