August 2011 Chamber Connection Spotlight

Joy Bookkeeping

Joy Bookkeeping has been in business since late 1998 when Tina Smitley saw a need for affordable bookkeeping services for small business owners.

Tina began working in offices in 1985 and has held such positions as office manager and most recently, she was the accountant for a construction firm where she was responsible for the payroll, invoicing, billing, accounts receivable and all other accounting aspects. Sadly the company closed, so Tina decided to focus on building her clientele through Joy Bookkeeping so that she could have more time with her children.

In 2004 Tina became a QuickBooks Pro Advisor. Then in 2005 she decided to get her Bachelors' Degree in Accounting so that she could benefit her clients more by understanding better the different tax areas of accounting. She can perform the A/P, A/R, billing, invoicing, payroll, direct deposit, reconcile bank statements and prepare all payroll quarterly reports. Joy Bookkeeping can also file and pay payroll quarterly taxes and sales tax online. At the end of August Tina will complete her certification in QB 2011.

If a client would rather do their own bookkeeping using QuickBooks, Tina can help them purchase the software at discount and help get it set up for a reasonable fee.

Joy Bookkeeping currently services eight clients who can attest to her attention to detail and ease to work with. All clients have a password to keep information confidential. Joy Bookkeeping is located at 3160 Sharon Drive SE, New Philadelphia, Ohio 44663. For more information, contact Joy Bookkeeping via e-mail at joybkg@gmail.com or by calling (740) 922-8779 or (330) 204-9345.
