December 2011 Chamber Connection Spotlight

Dixie Bead Boutique

Meet Shana Sclater – she is the Dixie in Dixie Bead Boutique.

With the encouragement of friends and family, Shana has taken her hobby of jewelry-making and turned it into a creative and successful jewelry design business. Since starting Dixie Bead Boutique in early 2009, Shana has designed and sold over 500 one-of-a-kind pieces of jewelry to clients throughout Ohio and across the United States.

Shana's business is personal – starting with the name, which comes from a childhood nickname her sisters, friends, and classmates always called her. Then there's the individualized approach Shana takes in crafting exclusive pieces. Her passion for creating jewelry to make any woman feel youthful, beautiful, and unique can be seen and felt in each and every piece she designs.

Dixie Bead Boutique offers one-of-a-kind beautiful handcrafted jewelry in the latest colors and styles, made with gemstones, Swarovski crystals, pearls, and more. Shana specializes in customizing pieces that compliment all styles. Whether you're searching for the perfect piece for a wedding, prom, or that little black dress, Shana will design a stunning and lasting piece.

Dixie Bead Boutique also offers three Open Houses each year. The open houses are held at her home and everyone is invited. Follow Dixie Bead Boutique on Facebook for updates on new designs, open houses, and more! If free jewelry is something you're interested in, schedule your Dixie Bead

Boutique jewelry party. Not only will your guests appreciate her one-of-a-kind handcrafted jewelry, quality craftsmanship, and selection of materials, they will enjoy shopping in the comfortable environment of your home.

Something new to Dixie Bead Boutique, Kids Jewelry Parties. Looking for a unique and fun kids' party? Add new flavor to the cake and ice cream scene with a jewelry design party for children ages 5 & up, tweens, & teens! Celebrate birthdays and other special occasions with Kids' Jewelry Parties by Dixie Bead Boutique.
